Reading Corps tutors serve Preschool-3rd grade students who are struggling in reading and

Math Corps tutors serve 4th-8th grade students who need additional math skills practice. Tutors implement a "Response to Intervention" model with students with the goal of helping

students catch up to grade level. A year of service as a literacy or math tutor is looked upon very favorably on resumes, especially here at FIT Academy Charter School.

Tutors come from many backgrounds and include recent high school and college grads, career changers, stay-at-home parents and retirees. With training, support from onsite coaches and evidence-based strategies, Reading Corps tutors are well-equipped to change lives. No previous teaching experience necessary!

Apply directly online at ReadingandMath.net. If you have specific questions about Reading Corps or Math Corps, contact a recruiter at (866) 859-2825 and indicate interest in being a tutor at FIT Academy.
