GROWTH

Reading:

	FIT	State		FIT SPED	State SPED
Improved	15%	19%		16.5%	11%
Maintained	39%	48%		29%	25%
Decreased	46%	33%		56%	64%

Math:

	FIT	State		FIT SPED	State SPED
Improved	12.5%	13.5%		14%	12%
Maintained	22.5%	49.5%		19.5%	30%
Decreased	65%	37%		66.5%	58%

Summary: FIT Academy MCA scores are significantly below state and local district averages

Root Causes: FIT Academy welcomes many students who struggled in previous schooling. Establishing a learning culture and curriculum with rigor has been a gradual process since the school opened.

Strategies for Improvement: Continuing progress in increasing academic rigor. Continuing implementation of interventions for reading and math. Implementing targeted homework and supports for parents of underperforming students
