

Dear FIT Families,

As you may know, our school is partnered with *The Sheridan Story*, a non-profit organization providing food donations to families in need.

I have received an urgent message from them indicating that there is a serious shortage of food and personal care items in parts of the Twin Cities most impacted by the events of the past week. They are asking for donations to be dropped off tomorrow June 6th at their Roseville location between 10am and 2pm at 2723 Patton Road, Roseville, MN 55113. I have attached their message for additional information. The items they are recommended for donation include:

- **Items Needed:** Non-perishable canned food, rice, pasta, diapers, wipes, feminine hygiene items, and baby formula

As an alternative, we will be collecting food & essentials here at FIT Academy on Monday and Tuesday of next week between 8am and 3pm and will deliver those to *The Sheridan Story* on Wednesday. Please drop off any of the items listed above. Please place them in paper bags and drop off on the tables outside the school's main doors marked for food and essentials donations. Our hope is to make it easy for our families to donate so that we can maximize our impact on communities in need. **Any donation helps, even if you just grab a few items from your pantry!**

Sincerely,

Claud Allaire
Executive Director
