

## **FIT Academy**

### **707: Student Transportation**

1. Transportation Eligibility – FIT Academy will offer free transportation to students who live within district 196 and Burnsville city boundaries.
2. Students living within district 196 will be transported by district 196 transportation. Students living within Burnsville city boundaries will be transported by a contracted provider through FIT Academy.
3. FIT Academy will follow all policies and procedures found in district 196 policy 707 with regards to eligibility, safety, routes, the transportation of students with disabilities, and employee transportation of students.
4. Students who reside outside of district 196 or Burnsville are responsible for their own transportation to FIT Academy. Students may be dropped off at a pick-up location within boundaries outlined in item 1 above and transportation will be scheduled from that location to FIT Academy. Such out of district requests within district 196 must be approved by the district 196 transportation office.
5. Students with special transportation needs as outlined in individualized educational plans will be eligible for special transportation within district 196 and Burnsville city boundaries. Parents of students with special transportation needs may be reimbursed for mileage in accordance with Minnesota Department of Education policy.
