LETTERS NEED 5 THINGS:

1. Date  January 26th, 2018
2. Greeting  Dear Mrs. Quinn,
3. Body 

I had a great week this week. In writing, we learned about poetry. It was fun to hear rhyming words. In reading, we read in our magazines about all the different colors in the world. I loved reading about pink dolphins! In math we are working on graphing. I think it is fun to ask the class a question and then collect data. How was your week? What are you doing this weekend?
4. Closing  Your Friend,
5. Signature  Mrs. Kelly
