ACT Testing April 23-26, 2024

2024 MCA and MTAS State Assessments
Provider: Pearson
Requiring Authority: State of Minnesota
Content Areas Tested: Reading, Math, and Science
Testing Dates: Reading MCA and MTAS (Grades 3-8 & 10) April 8-19, 2024
Math MCA and MTAS (Grades 3-8, & 11) April 8-19, 2024
Science MCA and MTAS (Grades 5, 8, & 10) April 22-30, 2024
MTAS Alternate Tests, May 8-19, 2024
Estimated Duration: Reading: 2.5 to 3 hours. Math: 1.5 to 2.5 hours. Science: 1.5 to 2 hours. Note that these are estimates as students are not limited in how long they take to complete a test.
Reporting of Results: Individual Student Reports (ISR's) are generated and printed by the state and sent to schools in the Fall. FIT Academy will review the ISR's with parents at parent-teacher conferences or mail them to parents. Parents may request to have them mailed at an earlier date.
State Requirement: FIT Academy is required to administer the MCA state assessments. We are also required by law to post the following document: Parent Guide and Refusal for Student Participation in Statewide Testing

Diagnostic Assessments
Provider: Fastbridge
Requiring Authority: This is a school requirement
Content Areas Tested: Two separate tests, one for reading and one for math
Who Will Be Tested: All students in grades K-10
Testing Dates: September, 2023, January, 2024, & May 2024
Estimated Duration: 45 minutes to 90 minutes per content area. Note that these are estimates as students are not limited in how long they take to complete a test.
Reporting of Results: Results will be reported to parents at the 1st quarter conferences in November as well as at the end of school year when report cards are mailed home.

ACCESS Testing for English Language Learners
